Consignors who work 5 days during the season will pay a consignment fee of 25%.

Non-working consignors will pay a fee of 35%.

Submission of Artwork

All new artists will be initially juried by the Gallery Board. Accepted artists must jury again if new work presented to the gallery represents a significant change in their medium or quality of work. A one time jury fee of \$25.00 will be charged for all accepted artists. The following guidelines will be used:

- Originality
- New work, each year, is strongly encouraged
- All work must be individually created by the artist applying to the Gallery
- No artwork made from kits, artificial flowers or greenery, or made in a class
- Work must be well made, well presented and completely prepared for mounting, including any special mounting hardware.

Our first consideration will be given to artists of the Central Upper Peninsula of Michigan. The gallery will not accept work that is too similar or the same as its current consignees.

If artwork is accepted, it will be put on display in the Gallery as available space allows. If it is not accepted at this time, the artist will be notified and must pick up their artwork.

The Lake Effect Art Gallery will use reasonable care in handling items, but is not responsible for breakage, soiling or damaging of items. The Lake Effect Art Gallery assumes no responsibility for artwork. The Consignor must assume all losses to their artwork.
